## Year 3 Kwik Cricket Tournament

Year 3 children attended an amazing Kwik Cricket Tournament on Tuesday 7th March at Ranikhet. During the morning the children visited 6 stations, working with their classmates to further develop previously learnt skills essential for cricket. These

skills included batting, underarm/ overarm throwing and catching, bowling, agility balance and coordination as well as a station preparing them for the game to be used in the afternoon's competition.

In the afternoon each school was split into 6 teams and then divided into 6 leagues. All of Wilson teams won their

leagues, 2 of which went through to the semi-finals of the cup and 2 to the plate. The tension mounted as Wilson Warriors and Whales won their semi-finals seeing our school through to the final of both sides of the competition. All the other teams watched anxiously as Wilson Warriors won the whole competition. Well done to all the children in all the teams for a great day and congratulations to all the children in the Warriors
